Profile

I am a university student who is passionate about full-stack web development. I enjoy building websites and simple applications using tools like HTML, CSS, JavaScript, and Node.js. I am always learning new skills and improving my coding through practice and projects. I am looking for an internship where I can gain real experience and grow as a developer.

Education

Bachelor of Information Systems

Bahir Dar University, Institute of Technology

2023 – Present

GPA: 3.3/4.0

Relevant Coursework: Object Oriented Programming, Web Programming, Software Testing, Project Management, Networking, Software Architecture and Design, Mobile Application Development, Data Structure and Algorithms.
